## **PURCHASE OF TOOLS**

Tools which you use on your job may be purchased from or through the company at our cost plus any applicable sales or use tax.

Your foreman or department manager will assist in ordering tools and working out a payroll deduction plan:

Maximum Credit	\$500.00
Maximum Time	Six Months
Interest Charged to You	None
Minimum Deduction	\$10.00

## **TOOL INSURANCE PROGRAM**

Some of you now have, or are acquiring, a substantial investment in your personally owned tools. A part of the company's employee benefit program can help you protect this investment.

You will be responsible for preparing your tool inventory and turning in to Human Resources.

Losses covered by the program will be paid, less a \$250.00 deductible (paid by the employee). The company pays the full premium. As with all coverage, a proof of loss is required.
